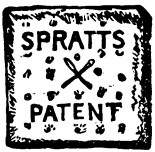
# SPRATT'S PATENT

# MEAT FIBRINE DOG CAKES.

**NONE** are **GENUINE**



**UNLESS** so **STAMPED.**

From the reputation these Meat Biscuits have now gained, they require scarcely any explanation to recommend them to the use of every one who keeps a dog; suffice it to say that they are the cheapest food, require no cooking, are entirely free from *salt*, will keep the dog in condition without meat or other feed, make the hair glossy, the skin pure, and, being made of the best meal, fibrine-dates, and other ingredients, are a sound diet, obviating WORMS and distemper, giving all the elements for endurance, bone, muscle, and vigorous health. 28s. per cwt. delivered in Calcutta, Bombay or Madras; on five cwt. a reduction of 2s. per cwt.

*Extract from an Editorial Notice in* "THE FIELD," *3rd June*, 1871, *p.* 458.

"At the request of several of our correspondents, we have recently carefully tried these biscuits on five different breeds of dogs, with the following results:—

"Mr. Spratt has furnished us with samples of biscuits containing meat in the proportions of 7, 10, 20, and 40 per cent., which we will call Nos. 1, 2, 3 and 4. We find that every variety of dog can be kept in good health on the first of the above proportions, which may shortly be increased to the second; but that none can take 20, and still less 40 per cent. of meat, without at first showing by their heated noses the over-stimulating nature of their food. The most delicate lady's pet may soon be induced to eat No. 1, and will require nothing else except a little green vegetable occasionally, and either this or No. 2 is what we should recommend for all dogs that are not required to display an extraordinary amount of endurance, such as fox-hounds and grey-hounds. No. 1 suits the most delicate-nosed setter or pointer, and is quite sufficiently furnished with meat for any dog used with the gun, in which nose is the *sine qua non*.

"With the addition of boiled green vegetables two or three times a week, we have not the slightest doubt that dogs of all kinds may be kept in good health by means of SPRATT'S CAKES, and that there will neither be loss of nose displayed in work, nor will there be the occurrence of eruption following their use."

## SPRATT'S PATENT GREAT CHALLENGE POULTRY FOOD,

Is the greatest egg-producing food and fattener of Ducks and Poultry known, unequalled for raising young Pheasants, Chicks, and Ducklings. This meal is now used by the Duke of Malborough, Marquis of Camden, Earl of Shrewsbury, Earl of Abergavenny, Countess of Dartmouth, besides many other members of the Aristocracy, and the largest breeders and poultry fanciers in the Kingdom, too numerous to mention in a small advertisement. Same price as the cakes.

**The above Biscuits and Poultry Food MUST be kept in a DRY PLACE. This is most important.**

DIRECTIONS FOR THE CAKES.—Give from one to four cakes a day, according to the size of the dog; soaked or dry, as the dog may prefer. The cakes are more nutritious, given dry than soaked, if the dog will eat them so, but if not they must be soaked for six hours in cold water, and no more soaked at a time than necessary for the meal.

DIRECTIONS FOR POULTRY FOOD.—Three parts meal, one part water, mix up crumbly moist, not sloppy.

*ADDRESS:—SPRATT'S PATENT, Henry Street, Southwark, London, S.E.*

**Please see that every Cake is Stamped SPRATT'S PATENT, as Spurious Imitations are frequently substituted.**

The examination will be conducted by means of printed questions and written answers, and by *viva voce* examination, as may be deemed necessary. The last of these examinations will be held at the close of the second year of probation, and will be called the "Final Examination," at which it will be decided whether a selected Candidate is qualified for the Civil Service of India.

10 Any candidate who, at any of the periodical Examinations, shall appear to have wilfully neglected his studies, or to be physically incapacitated for pursuing the prescribed course of training, will be liable to have his name removed from the list of selected candidates.

NOTE 2.—No Candidate will be permitted to proceed to India before he shall have passed the final examination, and received a certificate of qualification from the Civil Service Commissioners, or after he shall have attained the age of twenty-four years.

For a candidate under age a surety will be required.

NOTE 6.—After passing the Final Examination each candidate will be required to attend again at the India Office, with the view of entering into covenants and giving a bond for £1000 jointly with two sureties for the due fulfilment of the same. The stamps payable on these documents amount to £1 10s.

NOTE 7.—Candidates rejected at the final examination of 1875 will in no case be allowed to present themselves for re-examination.

11. All candidates will be required to conform to such rules of discipline as the Senate may, from time to time, enact.

The persons who shall be pronounced by the Examiners to be the best qualified in all respects will be appointed to fill the requisite number of appointments as Assistant Surgeons in Her Majesty's Indian Army. Their position on the list of Assistant Surgeons will be determined by the combined results of the preliminary and of the final examinations, and, so far as the requirements of the service will permit, they will have the choice of Presidency in India, according to their position on that list.

12. All Assistant Surgeons who shall neglect or refuse to proceed to India under the orders of the Secretary of State for India within two months from the date of their appointment will be considered as having forfeited it, unless special circumstances shall justify a departure from this regulation.

The physical fitness of candidates will be determined previous to examination, at Chelsea Hospital, by a Board of Medical Officers, who are required to certify that the candidate's vision is sufficiently good to enable him to perform any surgical operation without the aid of glasses. A moderate degree of Myopia would not be considered a disqualification, provided it did not necessitate the use of glasses during the performance of operations, and that no organic disease existed.

Every candidate must also be free from organic disease of other organs, and from constitutional weakness, or other disability likely to unfit him for Military Service in India.

3. Subject to the above limit, furlough shall be placed to the credit of each officer, at the proportional rate of one year's furlough for every four years of actual service. *

4. No furlough shall be taken before the completion of eight years' actual service, except under Rule 8.

5. Furlough shall not be repeated until three years from the date of the last return from Long Extraordinary Leave or Long Furlough, except under Rule 8. Leave taken under Chapters II. and III., but no other leave, shall be reckoned as part of the said three years.

6. The maximum term of furlough to be taken at any one time shall be two years.

7. Except as hereinafter provided, an officer, when on furlough, shall retain a lien on his substantive appointment, or on an appointment of similar character and not less salary, and he shall be granted allowances at the rate of 50 per cent. of his average salary for the previous three years, or for the period which has elapsed since his last return from Long Furlough or Long Extraordinary Leave, if that period be less than three years.

In calculating such average, the time spent and the allowances drawn under any leave, excepting Privilege Leave under Chapter II., shall be omitted.

Provided that no officer on furlough shall draw more than £1,000, or less than £500 per annum, unless his salary is less than £500, in which case he shall draw an allowance equal to his salary.

For the interval elapsing between departure from his station and the commencement of furlough, and between the termination of furlough and the re-arrival at his station, an officer shall be allowed subsidiary leave not ordinarily exceeding in each case thirty days. During those periods his allowances will be calculated in the same way as his furlough allowances, but without limitation as to maximum and minimum. Provided that, if the officer has, under these rules, lost his lien on his appointment, he shall draw subsistence allowance of his rank. Subsidiary leave shall count as service and residence.

12. Applications for furlough will in all cases be submitted to the Government to which the applicant is subordinate, and will be dealt with in such manner as the Governor-General of India in Council may from time to time prescribe.

13. Subject to the exigencies of the service, both as regards the number of furloughs available at any one time, and as regards individual applications, of which exigencies the Government of India, Madras, or Bombay, as the case may be, shall be exclusively the judge, furloughs will be granted under these rules.

14. All applications for furlough under medical certificate, in accordance with these rules, will be granted without restriction.

15 If, owing to the exigencies of the service it may be necessary to place any limit on the number of officers who may be absent on furlough at the same time, applications not supported by medical certificate will be granted in the following order:—

The applicant to whose credit the greatest amount of furlough remains under Rule 3 shall have the preference.

If two or more applicants are on an equality in this respect, the preference shall be given to the applicant whose actual service in India is longest, reckoning, in the case of an officer who has not taken long extraordinary leave or long furlough, from the date of arrival in India, and in the case of an officer who has taken long extraordinary leave or long furlough, from the date of his last return from such leave or furlough.

## CHAPTER II.

23. Each Judge at present standing appointed to a High Court shall, on the first occasion of his taking leave, be given the option of accepting these Rules or abiding by those at present in force for Judges of the High Courts of Judicature.

24. If a Judge, who is a Covenanted Civil Servant, shall be permitted to resign his office and remain in the service, all leave which he may have taken as a Judge of the High Court shall be reckoned as if it had been taken under the Rules for the leave of absence of Covenanted Civil Servants.

The above Rules are, with the sanction of His Grace the Secretary of State for India in Council, hereby declared applicable, with the modifications below stated, to the following Officers:—

The following Notification is also published, for general information and guidance:—

NOTIFICATION No. 3,070.

A question having been raised as to whether the Resolution of the Financial Department, No. 101, dated the 24th April, 1869, and published at page No. 917 of the "Gazette of India" of 1st May, 1869, on the subject of privilege leave, is applicable to Judges of Her Majesty's High Courts of Judicature, the Governor General in Council observes that privilege leave to these and certain other officers, under the Rules recently prescribed, differs from ordinary privilege leave, in that no Judge of a High Court is held entitled to such leave, unless Government be satisfied that there is an urgent necessity for it. Leave under Chapter II. of the Rules in question is therefore rather in the nature of short leave on urgent private affairs, while vacation takes the place of privilege leave.

On these considerations, His Excellency in Council is pleased to declare that the Resolution above quoted shall not be held to apply to Judges of Her Majesty's High Courts of Judicature, or to the other Officers to whom the Rules governing the leave of those Judges have been declared applicable.

NOTIFICATION No. 3,486.

With reference to the Notification of this Department, No. 3,070, dated the 2d instant, published at page 255 of the "Gazette of India," the Governor General in Council is pleased to explain that the Resolution No. 101, dated 24th April, 1869, shall not be held to apply to any High Court Judge or other Judicial Officer to whom the new Rules governing the leave of High Court Judges have been declared applicable, even though, under Rule 23 of those Rules, he may elect to abide by former Rules. Whatever Rules any of these Officers may elect, privilege leave will not be granted to him except on urgent necessity being shown, since all of them have equally the benefit of vacation.

His Excellency in Council is further pleased to declare that the only exception will be the Secretary to the Council of the Governor General for making Laws and Regulations, since this Officer does not enjoy vacations. He will therefore be exempted from showing urgent necessity for privilege leave, but the Resolution No. 101, dated 24th April, 1869, will be applicable to him.

In the event of the furlough being taken partly in India and partly out of India, the commencement and termination of the furlough shall be determined by the above rules, according as the furlough begins or ends in or out of India.

11. For the interval elapsing between departure from his station and the commencement of furlough, and between the termination of furlough and the re-arrival at his station, a Chaplain shall be allowed subsidiary leave not ordinarily exceeding in each case thirty days. During those periods his allowances shall be the same as during the furlough to which the said leave is subsidiary.

12. Subject to the exigencies of the service, both as regards the number of furloughs available at any one time, and as regards individual applications, of which exigencies the Government of India, Madras, or Bombay, as the case may be, shall be exclusively the judge, furloughs shall be granted under these rules. Extension of furlough, other than furlough under medical certificate, will be granted by the Local Governments only.

13. All applications for furlough under medical certificate, in accordance with these rules, shall be granted without restriction.

## CHAPTER III.

### SPECIAL LEAVE.

18. Special leave on urgent private affairs may be granted at the discretion of the Government for a period not exceeding six months. In respect of allowances to be drawn during the leave and of subsidiary leave, the conditions of special leave shall be the same as those prescribed for furlough under Rules 7 and 11.

19. Rule 17 shall, *mutatis mutandis* apply to a Chaplain over-staying special leave.

No Chaplain on furlough in Europe will be allowed to return to duty in India until he shall have appeared before the Medical Board attached to the India Office, for a report upon the state of his health.

25.—The term of *residence* qualifying for pension shall be, in the case of Chaplains appointed before the 11th January, 1854, fifteen years, and in the case of Chaplains appointed on or after that date, seventeen years, but no leave, except privilege leave and subsidiary leave, shall count as residence.

26. Officers coming to England on furlough are required immediately to report their arrival by letter, with their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave, six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned; or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

All officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Medical Board appointed for that purpose, who will report their opinion on the state of such officer's health. And if resident in the country in any part of the United Kingdom, they must transmit with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen, eminent in the medical profession, viz.:—

*I hereby certify, that I have carefully examined (state the nature of the case, as well as the name of the party), and I declare, upon my honour, that, according to the best of my judgment and belief, is at present unfit for military duty, and that it is absolutely necessary, for the recovery of his health, that he should remain at least longer in this country.*

Also, previously to such extension of furlough being granted, such further proof shall be adduced by personal examination, or by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account sickness, are to furnish a certificate of two eminent physicians, *in the above form*, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period, must at its expiration apply for permission either to return to their duty or to reside a further time in England.

In every case in which an officer has had his furlough extended beyond the prescribed period on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the examining physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No officer who has failed to obtain an extension of furlough will be considered eligible to return to the service after five years' absence, under the Act of 33 Geo. III. cap. 52, sec. 70.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the instruction of the Secretary of State for India in Council, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them; officers, therefore, who shall come home on furlough, and who shall not in due time apply, so as to effect their return to the Presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted to remain a further time in Europe.

No officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting colonels of regiments and general officers; the latter are then allowed to draw the pay of their brevet rank beyond the above period.

## MILITARY FURLOUGH REGULATIONS.—Nov. 17, 1854.

With the view of adapting the regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them to deter officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following rules are established, and are to have effect from the 1st February, 1854:—

1. All regimental officers in the service on the 1st February, 1854, who prefer retaining what may be considered the advantages of the old regulations, may do so, provided they signify their wish to that effect when they next apply for furlough or leave of absence, without any limitation whether such leave be in India or elsewhere; and officers who once make their election will not be entitled to any other choice, but will be afterwards subject to the new or old regulations, according to their decisions.

2. Staff officers, as such, have not the above option allowed them, but they may retain the advantages of the old regulations by giving up their appointments, which, in such cases, will be considered vacated from the date of embarkation.

3. To those officers who adopt them, the new regulations will apply retrospectively in respect of furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate, within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules are allowed to reconsider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February, 1854, and who, consequently, may not have been called upon to declare whether they would abide by the old or the new regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new regulations.

FURLOUGHS ON PRIVATE AFFAIRS.

6. Every officer will be allowed a furlough to Europe, or elsewhere beyond sea, for a period of two years at the expiration of ten years' service, and for a second period of two years after twenty years' service in India.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe, or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leaves to sea.

Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their first return to duty. (G.O. 16 June, 1856.)

8. All grants of furlough on private affairs are subject to the exigencies of the public service, and to the regulations framed for ane preservation of the efficiency of each regiment by limiting the number of absentees.

9. Officers holding staff or other detached appointments, may be allowed furlough for a period of six months without losing their appointments; but, during that period, they will not be entitled to any portion of their staff salary, which will be drawn in full by the officers officiating for them.

Absence for six months under this rule does not preclude an officer from taking his furlough to Europe after ten years' service. (G.O. 16 June, 1856.)

10. All officers, whether staff or regimental, while on furlough on private affairs, will be entitled to "Furlough Pay" only.

LEAVE OF ABSENCE ON SICK CERTIFICATE.

11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be to any place in Europe, or elsewhere out of India.

12. Extension of such leave may be granted, as at present, on production of medical certificates, for further periods not exceeding eighteen months in the whole.

13. An officer holding a staff or other detached appointment, will be allowed to be absent on sick certificate in England, or elsewhere beyond sea, for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the staff salary of his appointment, the officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

14. An officer's claim to half staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of command allowance, medical staff salary, or other similar allowance, which under the old rules was inadmissible to officers absent from their corps or stations, at the Cape or elsewhere, will be allowed to absent officers under these regulations.

16. All officers, whether staff or regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian pay and allowances as was allowed under the old regulations to officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued; but under no circumstances for a longer period than three years altogether, from ehe commencement of the absence.

STAFF OFFICERS.

18. The term, "staff officers," applies to all officers holding staff or detached appointments, military (general or regimental), political, or civil; also to general officers commanding divisions, members of the Medical Board, superintending surgeons, and others who, under the old rules, were entitled to draw half staff allowance when absent at the Cape.

19. Staff officers absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds to be sanctioned by the Government of the presidency. Any such special grant of leave is to be reported at once, with the reasons for it, and to be subject to approbation.

20. The privilege of retaining staff appointments during leave of absence on sick certificate, or on furlough on private affairs will not be available a second time, if he

fresh leave is on sick certificate, until an officer has been three years, or, if on private affairs, until he has been six years, in the discharge of the duties of his appointment, from the date of last return to it.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs, in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

22. Officers commanding troops of Horse Artillery and Light Field Batteries, and officers generally in employment, will be allowed leave out of India under the same rules with respect to allowance and tenure of command or office, as regulated the grant of leave to the Cape to such officers under the old regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new regulations.

DATE OF FURLOUGH AND ADVANCES OF PAY.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the officer proceeds.

24. Advances of pay and allowances, staff and regimental, to officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for repayment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by officers obtaining furlough on private affairs.

25. The existing regulations regarding passage-money to officers are not affected by these rules.

26. The certificates issued to officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the presidency or port of embarkation, and to enable officers to rejoin their regiments or stations after their return to India, nor the leave of one month's absence in six months, as authorized by the regulations. The last pay certificate of all officers proceeding to England on sick certificate is to specify the rate of regimental pay and allowances and staff salary to which they would have been entitled under the old regulations if proceeding to sea on medical certificate. This information is necessary in order that no difficulty may arise in the Pay Department of the India Office in adjusting the several payments which may be due.

OFFICERS OF H.M.'S SERVICE.

27. Officers of Her Majesty's service in India, whether employed regimentally or in staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of officers of Her Majesty's service on furlough or sick certificate, in England or elsewhere, who may retire or exchange into regiments not on the Indian establishment, the grant to these officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

PERIODS OF ABSENCE ALLOWED TO BE COUNTED AS SERVICE FOR RETIRING PENSIONS.

29. In order that all officers quitting India on furlough or sick certificate may be placed on an exact equality as regards loss of time, the period allowed by regulation for proceeding to the presidency, or to the nearest port of embarkation, as well as the time to enable officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

30. No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders," is to be included all leave of absence, except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing regulations, and which are, in all cases, whether of regimental or staff officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by political and other authorities, which may not hitherto have been published in General Orders, must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their regimental rank (under the regulations of 1796), must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate, and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of captains and majors (under the regulations of 1835-37) must have served

Digitized by Google

twenty and twenty-four years respectively; out of which time leaves of absence for two years in the aggregate, and not more, will be allowed to count as service.

34. Officers to be entitled to retire as lieutenant-colonels must have served twenty-eight years; out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as colonels must have served thirty-two years; out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

36. The scale for medical officers and veterinary surgeons of privileged furlough and leave of absence as counting for the retiring pension, will be as follows:—

| Years. | Months. | | | | |
|---|---|---|---|---|---|
| 1 | 8 | in 17 & under 20 | yrs.' | service | |
| 2 | 0 | in 20 | ,, | 25 | ,, |
| 3 | 0 | in 25 | ,, | 30 | ,, |
| 4 | 0 | in 30 | ,, | 35 | ,, |
| 5 | 0 | in 35 | ,, | 38 | ,, |
| 6 | 0 | in 38 | years' | service. | |

37. It is to be distinctly understood, that under no circumstances whatever will an officer be permitted to retire on full pay until he has completed the *full time of service* above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local government, be taken at any time, subject to these regulations. If, therefore, at the end of twenty years' service, of which eighteen had been passed on actual duty in India, an officer should be on furlough or sick certificate in Europe or elsewhere, he will be entitled to retire on the full pay of a captain without returning to India, and so in the other terms of service for the higher pensions. In like manner, a medical officer on furlough or sick certificate, in Europe or elsewhere, at the end of seventeen years' service, fifteen years and four months of which have been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These rules do not in any way affect the existing regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

## INDIAN MILITARY FURLOUGH RULES.—JULY 1, 1868.

The Right Honourable the Secretary of State for India having, with certain modifications, approved generally of the Rules relative to the absence on leave of Military Officers, published in Government General Order No 613, dated 19th June, 1868, the following revised rules are published in substitution of those contained in the order above referred to.

These rules will be applicable to all officers who may elect to adopt them belonging to the several Indian Staff Corps or to the Indian Army, and in regard to the period of leave of absence during which appointments may be held, and in regard to the increased allowances, they will also be applicable to officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature.

To obviate confusion or misconception as to the rules referred to, those previously in existence and those now sanctioned will be severally designated as the Furlough Rules of 1796, of 1854, or of 1868.

The term "Furlough Pay" having now a changed and twofold signification, in all future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits, specified in paragraph 5 of these rules, converted at the exchange fixed for the year, whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English pay under the Rules of 1796 and 1854.

1. The distinction with respect to allowances hitherto drawn between furlough on private affairs and sick leave is abolished, both kinds of leave being included under the general term *furlough*, provision, however, being made for the obtainment of furlough under medical certificate, without all the restrictions applicable to furlough when taken without medical certificate.

2. Leave taken under the rules now prescribed will not involve forfeiture of appointment, except in the cases herein specially provided for.

3 The rules now prescribed do not affect the provisions of Act XXXIII. of George III., Chapter 52 Section 70; but an absentee cannot retain his appointment and draw absentee allowances, except under the

Digitized by Google

rules now prescribed.* Nor do they affect the regulations by which general officers commanding divisions and brigades can only obtain limited periods of leave without forfeiting their commands.

4. Leave of absence will, in future, be of three kinds, viz.:—

1. Furlough in or out of India.

2 General leave on private affairs or sick certificate in India or short leave to sea.

3. Privilege leave.

## CHAPTER I.

### FURLOUGH.

5. An officer drawing staff pay in addition to pay of rank, proceeding on furlough, will be allowed pay at the rate of 50 per cent. of the salary of his substantive office. But an officer on civil employ, and drawing consolidated salary, will be allowed 50 per cent. of the average salary drawn by him for three years prior to his proceeding on furlough. No absentee shall, in either case, draw more than 1,000*l.* or less than 250*l* per annum The term "salary" will signify the total amount drawn by an officer, whether as consolidated pay or staff allowances in addition to pay, but will not include any extra or special allowances. It is to be clearly understood that an officer absent on furlough, who may be transferred to another office during his absence, shall be entitled, for the entire period of his furlough, to pay at the rate sanctioned to him when leaving India, provided that an officer whose term of office shall lapse during his furlough shall cease to draw his half staff salary from the date of such lapse. An officer will also be entitled to the benefit of his promotion to a higher staff corps or regimental rank whilst on furlough, subject to the maximum limit.

Officers not in staff employ will receive half the Indian pay of their rank, provided that in no case will an officer entitled to furlough receive less than the above minimum of 250*l.* per annum.

NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

6 All grants of furlough on private affairs are subject to the exigencies of the public service, of which exigency the Government is to be exclusively the judge, and to any regulations that may be found necessary for limiting the number of absentees.

7. The maximum amount of furlough on private affairs to be taken at any one time, carrying pay and retention of appointment, will be two years

8. A period of at least three years' service after return from last furlough, except furlough under Rule 11, must be completed before furlough can again be taken, unless obtained under medical certificate. (*See* Rules 13 and 14.)

9. An officer will be eligible for two years' furlough on the completion of eight years' actual service in India, for a third year after a further period of six years' actual service, and for a fourth and fifth year after similar intervals of six years. The grant of furlough to an officer eligible for it will be subject only to the conditions specified in Rules 6 and 7. The fact of having taken furlough on medical certificate will not affect the grant of these furloughs, except as to the conditions laid down in Rules 8, 13, and 16. A military officer who has been not less than three years in the Staff Corps, may, on his producing a medical certificate, take his first furlough before the completion of eight years' actual service in India without forfeiting his appointment or his claim to the allowances prescribed in the Rule 5. Rule 14 does not apply

---

* The section referred to is quoted below:—

Section 70. "And be it further enacted, that no person who shall have held any civil or military station whatever in *India*, in the service of the said United Company, being under the rank or degree of a member of Council or Commander-in-Chief of the forces, and who, having departed from *India*, by leave of the Governor General in Council, shall not return to *India* within the space of five years next after such departure, shall be entitled to any rank or restoration of office, or be capable of again serving in *India*, either in the *European* or native corps of troops or in the civil line of the Company's service, unless in the case of any civil servant of the Company it shall be proved to the satisfaction of the Court of Directors that such absence was occasioned by sickness or infirmity, or unless such person be permitted to return with his rank to *India* by a vote or resolution passed by way of ballot, by three parts in four of the proprietors assembled in General Court, specially convened for that purpose, whereof eight days' previous notice of the time and purpose of such meeting shall be given in *The London Gazette*, or unless, in the case of any military officer, it shall be proved to the satisfaction of the said Court of Directors, and the Board of Commissioners for the affairs of *India*, that such absence was occasioned by sickness or infirmity, or some inevitable accident."

to such cases. Officers formerly of Her Majesty's British Service, who may join the Staff Corps, will be allowed to count as service towards furlough, under the Regulations of 1868, the whole of their military service in India, provided that half of it (in no case less than four years) has been passed in the Staff Corps. Under no circumstances will leave under Rule 11 be granted in extension of furlough taken either on P. A. or M. C.

10. An officer eligible for furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of furlough to which he may be entitled.

ILLUSTRATIONS.

(1) *An officer who has served nine years in India is entitled to two years' furlough. He takes only one year, and after his return remains in India for five years. He is then eligible for two years' furlough, as follows:—*

| | Years. |
|---|---|
| *Total service in India* . . . . | 14 |
| *Furlough due on that service* . . | 3 |
| *Furlough already taken* . . . | 1 |
| *Balance for which he is eligible* . | 2 |

(2) *An officer who has served 20 years in India without taking furlough is entitled to four years' furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.*

11. Furlough on urgent private affairs for six months, with pay equivalent to the British regimental pay of his rank, may be granted, when the officer is not eligible for ordinary furlough. The said period may form part of the periods of either eight or six years referred to in Rule 9. Leave under Clause 11 will not be extended except on M. C., in which case the whole of the leave will be considered as if taken under Clause 14.

12. Subject to State considerations, there will be no restriction as to the places to which an officer may resort during furlough.

13. Absence on medical certificate for a longer period than two years at one time, or departure on such furlough within three years of the date of return from a previous furlough, except furlough under Rule 11, will involve forfeiture of the appointment. Such furlough may, however, be extended to a third year on English furlough pay.

In the event of an officer not being able to return to his duty after an absence of three years, it will rest with the Right Honourable the Secretary of State for India in Council to order him to appear before a medical board, with a view to placing him on the Retired List, if entitled to pension, or on the Half-pay List.

Should the circumstances of the case warrant a further extension of leave, it can only be granted without pay.

In explanation of Rule 13, it is hereby notified that an officer who has any balance of furlough due to him, although he may not have served three years from date of last return to duty, will, on obtaining furlough on *medical certificate*, be entitled to receive half the Indian pay of his rank for the entire period not exceeding two years' but will forfeit any appointment he may be holding, as already laid down in the Rule above referred to; such furlough may be extended to a third year on English furlough pay.

14. An officer not entitled to furlough, whose health may necessitate his taking it within three years from the date of last return may, under the usual medical certificate, obtain such amount as may be duly certified to be necessary for the restoration of his health, but will only receive English furlough pay, and must vacate any appointment he may be holding.

It is further notified with reference to Rule 14, that it is intended that an officer who has not any balance of furlough to his credit, but who has served three years from date of last return to duty, should, on obtaining furlough on *medical certificate*, receive the prescribed 50 per cent. of his emoluments and retain his appointment.

15. An officer entitled to furlough whose health may necessitate his absence from India, will be compelled to take leave as furlough under Rule 9, but without forfeiting any passage-money to which he may be entitled under Military Fund Rules, or if a Subaltern, by Regulation when proceeding on medical certificate. Any extension of this furlough beyond the period to which he may be entitled under Rule 9, will be regarded in all respects as furlough on medical certificate. Such extension will not be allowed to take effect until the officer shall have exhausted the entire amount of his available furlough on private affairs. If the aggregate of two years' leave be exceeded, whether on M. C. or P. A. the officer will vacate his appointment, such extension being in the case of P. A. without pay, and in that of M. C. with English furlough pay for a third year only.

16. The aggregate amount of furlough

with pay and retention of appointment, whether on private affairs or on medical certificate, that may be granted to an officer during his service, will be limited to eight years.

The following will not form part of the aggregate of eight years of furlough on private affairs and medical certificate with pay and retention of appointment, to which an officer who may elect the Furlough Rules of 1868, is restricted by Rule 16:—

I. All leave taken as local leave (not being furlough) in India

II. All leave necessitated by wounds received in action, or by sickness contracted on field service, which may have been, or may be, allowed to reckon as service for pension under the provisions of Government General Order No. 1113 of 1857.

III. All leave duly granted to England or extensions of furlough or leave on medical certificate granted in England, *if without pay.*

IV. All *sick* leave to England that may have been taken under the Rules of 1796, on the old rates of Furlough pay.

V. All sick leave granted to the Colonies eastward of the Cape of Good Hope under the Rules of 1796.

2. But the following will form part of the eight years referred to:—

I. Furlough with pay on private affairs under whatever rules it may have been taken.

II. Leave to England on medical certificate with pay under the Furlough Rules of 1854.

17. If taken in India, furlough will be reckoned from the date of the absentee quitting his station to the date of his return thereto; if taken out of India, from the date of the sailing of the vessel in which he may have embarked to the date of his disembarkation in India.

18. Preparatory leave to embark for Europe or elsewhere on furlough will be granted for any period not ordinarily exceeding thirty days. Leave to the same limit, to enable him to rejoin on his return from furlough, will be granted from the date of his disembarkation in India.

19. Furlough allowances shall be payable monthly if payment is taken in India, and quarterly if payment is taken in England.

20. Advances of furlough pay will continue to be made in India to those officers who desire it, for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date.

21. The last pay certificate issued to each officer who may be granted furlough, whether on private affairs or on medical certificate, will specify the rate of the pay and Staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule 5.

22. An officer acting in India for an absentee will be restricted for the entire period of such acting to the half Staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half Staff salary of his own appointment, if he possess one. The Staff salary granted to an acting officer will, however, in no such case be less than Rs. 100 per mensem.

23. The privilege heretofore granted to military officers of counting the proportion of leave noted in the years in 20 years
3 ,, 25 ,, margin as service for
4 ,, 30 ,, pension, is retained.
The periods of service qualifying for pension remain unaltered.

24. In computing the furlough on private affairs to which an officer who has already enjoyed some portion of such furlough will be entitled under these rules, it will be necessary to deduct the total amount of the furlough on private affairs of which he may have availed himself during his service from the total periods to which under Rule 9 he can lay claim. The balance will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty.

ILLUSTRATION.

(1.) *An officer, who had obtained under the existing rules two years' furlough after ten years' service, returns to India on the date on which this order is promulgated. He accepts its conditions, and serves four years longer in India. On the expiration of that term, he can take one year's furlough, thus:—*

## CHAPTER II.

### GENERAL LEAVE ON PRIVATE AFFAIRS AND SICK CERTIFICATE IN INDIA.

25. An officer will be eligible, as at present, to take leave on private affairs or sick certificate in India, for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief, or of the Government under which he may be serving. During the entire period of his absence on this account, the officer will be entitled, as at present, to his full pay, and a moiety of his staff salary. Leave taken under this rule will form no part of the eight years' aggregate furlough If this indulgence should be taken advantage of for a third year consecutively, the officer will lose his staff appointment.

26. Leave on sick certificate for a period exceeding six months, capable of extension, under renewed medical certificate, to a limit of one year, may be granted to any officer who, in the opinion of a medical board, may require it. Leave of this nature, taken after the promulgation of these rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an officer is entitled in his entire period of service, but will not be regarded as furlough, nor will it affect the intervals entitling to furlough laid down in Rule 9. During this leave the absentee will draw a moiety of his staff salary in addition to the pay of his rank.

27. Short leave, not exceeding three months, on private affairs or sick certificate, may also be taken to sea, on the above condition, but absence from India for any longer period will be treated as furlough.

28. All general leave taken in India counts as part of the leave reckoning against service for pension.

## CHAPTER III.

### PRIVILEGE LEAVE.

29 Privilege leave may be granted, as at present, for sixty days in each year, to all officers in military employ, without deduction from the salaries and emoluments drawn by them. General leave, in extension of privilege leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the officer proceeded on privilege leave. Privilege leave may, however, be converted into general leave with the sanction of the Commander-in-Chief or the Government.

30. In the case of the stations noted in the margin,* privilege leave may, as at present, be granted for 90 days to officers of local corps, or of corps which are usually employed in one or other of the districts named.

31. An officer is at liberty to proceed wherever he may desire on privilege leave, provided he can ensure his return before the expiration of his leave.

32. Privilege leave cannot be taken in continuation of furlough, nor can furlough be obtained in continuation of privilege leave. If furlough be obtained by an officer while absent on privilege leave, the privilege leave will be converted into general leave, the officer for that period sacrificing a moiety of his staff salary.

### MILITARY OFFICERS IN CIVIL EMPLOY.

33. Military officers in civil or political employ taking leave in India come, as respects periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

### SUBSIDIARY RULE.

34. Officers of the Indian military and medical services will be required generally to notify their intention to accept these rules, or to adhere to those now existing, on the first occasion of their taking furlough or general leave after the publication of this order. Such election must be considered final, and under no plea whatever will an officer be subsequently relieved from the choice thus made. Officers who may determine to abide by existing rules will be allowed to proceed on furlough on the conditions laid down in Rules 7, 8, and 13, to the extent to which they may be entitled under the furlough regulations of 1854, and on the rates of pay contemplated in those regulations, but retaining their appointments. The principle laid down in Rule 15 must, however, be applied in many cases.

If an officer under the Furlough Rules of 1796 elects the present rules, his service for pension will be reckoned under the former rules up to 1st July, 1868, and thenceforward under the rules of 1868.

* Assam, Shillong, Erinpoora, Deolee, Khairwara, Khotra, Bunnoo, Dera Ishmael Khan, Dera Ghazee Khan, Rajanpore, Jacobabad.

The foregoing rules will take effect from the 1st July, 1868, as respects retention of appointment, and terms under which leave will be granted, but half staff allowances will not be available for officers now on leave in cases where the acting officer has already come into receipt of the full staff salary. Nor can officers who have vacated appointments which have since been permanently filled up have any claim to be restored to them.

*Her Majesty's Government have directed the following change to be made in the present Furlough Regulations as far as they apply to Staff Corps officers:—*

*All leave of absence granted by competent authority will henceforward involve retention of appointment. No officer will be allowed, on the plea of private affairs, to extend his leave, upon whatever grounds such leave may have been originally granted, beyond two years, except upon satisfactory evidence of very urgent necessity.*

*The rule contained in the 2nd clause of paragraph 13 of the Furlough Rules of 1868 will be in all cases strictly observed.*

## FURLOUGH RULES FOR WARRANT OFFICERS.

It has been decided:— 1st, that the furlough rules of 1868 shall apply to all warrant officers holding veteran or honorary commissions, the period of service qualifying for furlough being calculated from the date of the attainment of the commission. These officers will receive, during furlough, half their total receipts, without any reference to a minimum or maximum rate.

2nd.—That conductors and sub-conductors shall only be entitled to a furlough on sick certificate. The furlough will be for two years, and half of aggregate Indian allowances will be drawn during that period. Any leave on sick certificate not exceeding one year, granted in extension of the two years, or leave taken within less than three years from date of last return to duty, will be on English furlough pay only.

N.B.—These rules are equally applicable to warrant officers and those holding the honorary rank of Assistant Surgeons in the Subordinate Medical Department.

## WARRANT OFFICERS.

### PERIODS OF LEAVE COUNTING AS SERVICE FOR PENSION.

They will be allowed to reckon the following periods of leave, whether taken in India or Europe, as service for pension:—
15 months in 12 years' departmental service
20 ,, 14 ,, ,,
24 ,, 16 ,, ,,

Warrant officers holding that rank on the 23rd August, 1872, may, should they elect to do so, continue on the rule hitherto in force, and reckon all leave in India as service, and all leave out of India as against service. This option will not be given to men attaining warrant rank after this date.

Applications from warrant officers for leave to Europe must be accompanied by a duly certified statement of the applicant's service, and of the condition in respect to service, for pensions under which the furlough is taken.

# ROYAL WARRANT

## FOR THE FORMATION OF THE STAFF CORPS.

Victoria R.

Whereas it is expedient to provide a body of Officers for Our Service in India, by whom various offices and appointments hitherto held by Officers borne on the strength of the several Corps or Regiments of Our Forces in India shall in future be held; and whereas Our Secretary of State for India in Council has resolved to charge upon the Revenues of India the sum necessary to provide the pay, half-pay, and pensions of such body of Officers on the scale hereinafter contained, Our will and pleasure is that a Corps be formed in each of the Presidencies of Our Indian Dominions, to be denominated the Bengal, Madras, and Bombay Staff Corps respectively, to consist of such Officers as may

be required for such employment, and are selected for such purpose by Our Government in India, with the approbation of Our Secretary of State for India in Council.

It is also Our will and pleasure that all Officers now holding, or who immediately before the commencement of their present unexpired Furlough may have held such appointments, and in future Officers belonging to any of Our land Forces serving in India, under the rank of Regimental Field Officer, who shall have served three years with a Regiment, of which two shall have been in India,* shall be eligible to enter such Staff Corps; but such Officers will not be permanently transferred to the Staff Corps unless fully qualified, and until they shall have passed such periods of probation as may be determined on for the branch of the Indian Service for which they may be selected. Officers will receive Commissions in the Staff Corps on their names being submitted to us by Our Secretary of State for India.

It is Our further will and pleasure that the promotion and pay of the Staff Corps shall be regulated as follows:—

1. Ensigns, when permanently transferred to the Staff Corps, to have the rank of Lieutenant. Other Officers to have the rank which they may hold in their Regiments.

Officers after twelve years' service, of which four must have been in the Staff Corps, to become Captains.

After twenty years' service, of which six must have been in the Staff Corps, to become Majors.

After twenty-six years' service, of which eight must have been in the Staff Corps, to become Lieutenant-Colonels.

3. Officers now in Staff employment in India, joining the Staff Corps on its formation, shall count their previous Staff service towards promotion to the following extent:—

One step of rank will be given to every Officer whose period of service would qualify him for it, according to the above Rules. An interval of two years at least must intervene between each succeeding step.

4. Officers in the Staff Corps will be eligible for Brevet rank in common with the rest of the Army.

5. Officers of the Staff Corps holding Military appointments will take Military Command according to their Army rank, but Officers whilst holding only Civil appointments will not be entitled to assume such Command.

6. Exchanges may be allowed between Officers of the Staff Corps under the substantive rank of Field Officer and Regimental Officers of the same rank on the recommendation of the Indian Governments. Officers of the Staff Corps exchanging into a Regiment will become the Juniors of their Regimental rank.

Eventually a certain proportion of the senior Officers of the Staff Corps will receive Colonel's allowance.

9. Officers of the Staff Corps will be allowed to retire on the following scale of pension,

---

## REGULATIONS FOR THE PROMOTION OF INDIAN OFFICERS SO FAR AS RELATES TO RANK IN THE ARMY.

Victoria R.

Whereas it has been represented to Us that it is expedient to make further Regulations for governing the Promotion in the Army of the Officers of Our Indian Forces, Our will and pleasure is, that the Regulations annexed to this Our Royal Warrant be established, and be the sole Regulations under which the Promotion in the Army of such Officers shall be effected.

Given at Our Court at Windsor this 21st day of December, 1871, in the Thirty-fifth Year of Our Reign. By Her Majesty's Command, ARGYLL.

1. Field Marshals shall be appointed at the will of the Sovereign, and the rank shall be conferred without reference to seniority.

2. The names of General Officers shall be borne upon three separate lists. The first shall contain the names of those on the fixed establishment; the second, those who having been promoted out of their regular turn are supernumerary to the fixed establishment; and the third, those who have retired from the service with the honorary rank of general officers.

3. The fixed establishment of General Officers shall be the following:—

| | |
|---|---|
| Generals - - - - | 33 |
| Lieutenant-Generals - - | 53 |
| Major-Generals - - - | 87 |
| Total - | 173 |

4. Promotion on the establishment from the rank of lieutenant-general to that of general, and from the rank of major-general to that of lieutenant-general, shall be made as vacancies occur, according to seniority, subject however to the provision laid down in the last paragraph of clause 11.

5. Every vacancy on the establishment of general officers shall be filled by the promotion of the senior colonel, subject to the provision in the last paragraph of clause 11. or by the transfer of a general officer from the supernumerary list as provided in clause 8.

6 Temporary rank and command as general, lieutenant-general, or major-general, may for the convenience of Our service, be conferred, without regard to seniority, on lieutenant-generals, major-generals, or colonels respectively; and if the officer during the continuance of such temporary rank and command shall have conducted

years being inclusive of any time he shall have been obliged to pass upon half-pay or leave in consequence of ill-health contracted in the service (as established by a Board of Medical Officers), or in consequence of wounds received in action.

An Officer of the Staff Corps promoted to the rank of Field Officer by Brevet for service in the field, who shall continue to serve uninterruptedly on full pay from the date of his promotion by Brevet to the date of his obtaining the rank of Major-General, is entitled to the unattached pay of that rank, notwithstanding he may not have served five years, with the regimental rank of Field Officer with a regiment, or in one of the situations specified in Clause 8 of the Royal Warrant of 31 Jan., 1859.

himself to Our satisfaction, the rank so held may, upon the recommendation of Our Governor-General in Council, be converted into permanent rank after having been held for five years in time of peace, or for any shorter period in the field during war. A colonel who shall vacate an appointment as temporary major-general, and whose temporary rank shall not have been made permanent, may, upon the recommendation of Our Governor-General in Council, be made an honorary major-general, and shall retain that rank until he succeed to the establishment in virtue of his seniority on the list of colonels.

7. Promotion may be conferred upon a lieutenant-general, major-general, or colonel, without regard to seniority, for distinguished service in the field, and in such case the recommendation of Our Governor-General in Council, detailing the services for which the officer is promoted, shall be published in the General Orders of Our Indian military forces, and in the "London Gazette."

8. An officer not below the rank of colonel, promoted after temporary service in a higher rank, or for distinguished service in the field, shall be borne as supernumerary, and shall not be placed on the establishment in his new rank until the time when he would have attained such rank by seniority; that is to say, when the surviving officer who stood next senior on the list to the officer promoted under clause 6 or 7, shall have attained the same rank on the establishment, the next vacancy shall be filled by the transfer of the supernumerary general officer to the establishment.

9. A supernumerary major-general, who has been promoted after temporary service, and absorbed, under clause 8, into the establishment, shall have seniority according to the date of his permanent rank as major-general, and shall rise to be lieutenant-general and general, whether before or after his absorption into the establishment, in accordance with that seniority. A supernumerary general officer who has been promoted for distinguished service in the field, and absorbed under clause 8, shall take his seniority from the date of his promotion as published in the "London Gazette."

10. The officers of the Staff Corps on the Indian List having been transferred to the general list of the British army according to the regulations contained in clause 39 of Our Royal Warrant of the 27th of December, 1870, their names shall be retained on the Indian List in italics, until their death or retirement, for the purpose of regulating the promotion of the officers below them on that list.

11. On the occurrence of a vacancy in the fixed number of General Officers on the Indian List, specified in clause 3 of this Warrant, whether among those who remain effective on that list, or among those whose names are merely retained in italics, and who shall be considered as forming part of the said fixed establishment, the name of the senior officer in each grade on the Indian List below that in which the vacancy may occur (with the exception of the grade of lieutenant-colonel), shall be moved up to the next higher grade; but in the case of the officers whose names remain in italics, there shall be no actual promotion, the arrangement being limited to the transfer of the names for the purpose of regulating the promotion of those officers who remain effective on the Indian List; and the promotion of an effective colonel on the Indian List to the rank of major-general shall in no case be affected by casualties among the general officers of the staff corps, until the number of general officers to be added to the British Establishment under clause 24 of Our said Royal Warrant of the 27th of December 1870, shall be complete.

12. The rank of brigadier-general shall be local or temporary only.

DYSENTERY, CHOLERA, FEVER, AGUE, COUGHS, COLDS, &c.

# DR. J. COLLIS BROWNE'S

(Ex Army Med. Staff)

# CHLORODYNE

IS THE ORIGINAL AND ONLY GENUINE.

CAUTION.—Vice-Chancellor Sir W. P. Wood stated that Dr. COLLIS BROWNE was undoubtedly the Inventor of CHLORODYNE: that the story of the Defendant, Freeman, being the Inventor, was deliberately untrue, which he regretted had been sworn to. Eminent Hospital Physicians of London stated that Dr. J. Collis Browne was the discoverer of Chlorodyne; that they prescribe it largely, and mean no other than Dr. Browne's.—See *Times*, July 12, 1864.

The Public, therefore, are cautioned against using any other than

## DR. J. COLLIS BROWNE'S CHLORODYNE.

REMEDIAL USES AND ACTION.

This INVALUABLE REMEDY produces quiet refreshing sleep, relieves pain, calms the system, restores the deranged functions, and stimulates healthy action of the secretions of the body, without creating any of those unpleasant results attending the use of opium. Old and young may take it at all hours and times when requisite. Thousands of persons testify to its marvellous good effects and wonderful cures, while Medical men extol its virtues most extensively, using it in great quantities in the following diseases:—

Diseases in which it is found eminently useful—Cholera, Dysentery, Diarrhœa, Colics, Coughs, Asthma, Rheumatism, Neuralgia, Whooping Cough, Cramp, Hysteria, &c.

EXTRACTS FROM MEDICAL OPINIONS.

The Right Hon. Earl Russell communicated to the College of Physicians and J. T. Davenport that he had received information to the effect that the only remedy of any service in Cholera was Chlorodyne.—See *Lancet*, Dec. 31, 1864.

From A. Montgomery, esq., late Inspector of Hospitals, Bombay.—"Chlorodyne is a most valuable remedy in Neuralgia, Asthma, and Dysentery. To it I fairly owe my restoration to health, after eighteen months' severe suffering, and when other remedies had failed."

Dr. Lowe, Medical Missionary in India, reports (Dec, 1865) that in nearly every case of Cholera in which Dr. J. Collis Browne's Chlorodyne was administered, the patient recovered."

Extract from *Medical Times*, Jan. 12, 1866—"Chlorodyne is prescribed by scores of orthodox medical practitioners. Of course it would not thus be singularly popular did it not 'supply a want and fill a place.'"

Extract from the General Board of Health, London, as to its efficacy in Cholera.—"So strongly are we convinced of the immense value of this remedy, that we cannot too forcibly urge the necessity of adopting it in all cases."

Beware of spurious and dangerous compounds sold as CHLORODYNE, from which frequent fatal results have followed.

See leading article, *Pharmaceutical Journal*, Aug. 1, 1869, which states that Dr. J. Collis Browne was the Inventor of Chlorodyne; that it is always right to use his preparation when Chlorodyne is ordered.

CAUTION.—None genuine without the words "Dr. J. Collis Browne" on the Government stamp. Overwhelming medical testimony accompanies each bottle.

TEXTILE MANUFACTURES AND COSTUMES OF THE PEOPLE OF INDIA, as originally prepared under the Authority of the Secretary of State for India in Council. By J. FORBES WATSON, M.A., M.D., F.R.A.S., Reporter on the Products of India. Folio, half-morocco. With numerous Coloured Photographs. £3 5s.

*This work—by affording a key to the Fashions of the People, and to the Cotton, Silk, and Wool Textiles in actual use in India—is of special interest to Manufacturers, Merchants, and Agents; as also to the student and lover of ornamental art.*

"We congratulate Dr. Forbes Watson on having produced so useful and so practical a work, and on having diffused knowledge upon all material points connected with the clothing of the people of India, which heretofore had been unattainable. His book is written in a clear and thoroughly intelligible style throughout; it is handsomely got up, and embellished by numerous coloured photographs, from which the various styles of costume and portion of clothing, male and female, will be more readily understood than from mere description. The colours, too, of the various fabrics are given from the articles themselves, and we would in particular invite attention to the plates at page 118, all or most being figures of respectable Mohammedans in Upper India in rich dresses, as conveying excellent impressions of colour and effect in native Indian costume."—*Times.*

## BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately-flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease."—*The Civil Service Gazette.*

"A VISIT TO EPPS'S COCOA MANUFACTORY.—Through the kindness of Messrs. Epps, I recently had an opportunity of seeing the many complicated and varied processes the cacao bean passes through ere it is sold for public use; and being both interested and highly pleased with what I saw during my visit to the manufactory, I thought a brief account of the cacao, and the way it is manufactured by Messrs. Epps, to fit it for a wholesome and nutritious beverage, might be of interest to the readers of 'Land and Water.'"—*See article in Land and Water.*

"MANUFACTURE OF COCOA.—We will now give an account of the process adopted by Messrs. James Epps and Co., manufacturers of dietetic articles, at their works in the Euston Road, London."—*See article in Cassell's Household Guide.*
